Directors' report (cont.)

Short-term and long-term objectives

The Club's short-term objectives are to:

- Provide the best facilities available to members and their guests with a special interest in bowling activities.

Strategy for achieving short and long-term objectives

During the year the principal activities of the Club consisted of:

- Maintain or increase existing revenue levels and control costs to maintain profitability which will allow the Club's premises to be continually improved;
- (b) Ensure greens are kept to an optimum standard by employing quality greenkeepers and undertaking regular maintenance;

Performance measurement

These strategies are measured through both financial and non financial key performance indicators that have been developed relevant to the club industry.

The Club measures its performance against industry benchmarks, gross profit percentage and wages to sales percentages to measure the financial performance of trading areas such as bar and gaming. The Club also uses EBITDA to measure the financial performance of the Club overall.

Significant changes in state of affairs

No significant changes in the Club's state of affairs occurred during the financial year.

Events since the end of the financial year

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Club, the results of those operations, or the state of affairs of the Club in future financial years.

Likely developments and expected results of operations

The Club expects to continue to improve its financial performance and continue to provide quality facilities and services for members and guests.

Contribution in winding up

The Club is incorporated under the Corporations Act 2001 and is a Company limited by guarantee. If the Club is wound up, the constitution states that each member is required to contribute a maximum of \$20 each towards meeting any outstanding obligations of the Club. At 30 June 2023 the total amount that members of the Club are liable to contribute if the Club was wound up is \$47,560 (2022: \$20,840).

1 Summary of significant accounting policies

(a) Information about the entity

- Telarah Bowling Club is a company limited by guarantee, incorporated and domiciled in Australia.
- Telarah Bowling Club is a not for profit entity for the purpose of preparing the financial report.
- The registered office of the Club is Clarke Street Telarah, NSW 2320.
- The principal place of business of the Club is Clarke Street Telarah, NSW 2320.

(b) Basis of preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards -Simplified Disclosures, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

(c) Statement of compliance

This financial report complies with AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Notfor Profit Tier 2 Entities as issued by the Australian Accounting Standards Board (AASB).

The financial report has been prepared on an accruals basis and is based on historical costs. The financial report is presented in Australian Dollars.

(d) Working capital deficiency

As at 30 June 2023, Telarah Bowling Club has a working capital deficiency of \$264,545, represented by current assets of \$210,165 and current liabilities of \$474,710.

The Directors have determined that the going concern basis of preparation is appropriate given the following:

- (a) The Club has a cash balance at 30 June 2023 of \$84,155.
- (b) The Club reported positive operating cashflows of \$191,071 for the year ended 30 June 2023.
- (c) The Club do not foresee any issues in continuing to meet the terms and conditions of its loans with the Bank.
- (d) The Club expects it will be able to continue to generate positive operating cashflows.
- (e) The Directors have prepared a cashflow and operating budget for 2024 which indicate an estimated operating cash surplus of \$256,434, and EBITDA of \$325,243
- (f) The Club expects to continue to receive support from its suppliers and members.

The Directors are of the opinion the above will be achieved and the Club will continue as a going concern and meet its debts and commitments as they fall due. As a result, the Directors have prepared the financial report on a going concern basis.

(e) Income Taxes

The Club is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997.

(f) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO). In this case, it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the ATO, are presented as operating cash flows.

For the year ended 30 June 2023

1 Summary of significant accounting policies (cont)

(g) Rounding of amounts

The Club is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the financial statements. Amounts in the financial statements have been rounded off in accordance with the instrument to the nearest dollar.

(h) Sub Clubs

The Men's Bowls and Women's Bowls Sub Clubs have been consolidated into the Club's financial statements, due to the Club's constitution providing effective control over each Sub Club, with the bank balances of the Sub Clubs included on the statement of financial position. A corresponding liability for each Sub Club has also been brought to account recognising the commitment of the identified funds to the future operation of the respective Sub Clubs.

2 Revenue

(a) Disaggregation of revenue from contracts with customers

The Club derives revenue from the transfer of goods and services over time and at a point in time for the following services:

(b) Accounting policies and significant judgements

The Club recognises revenue related to the transfer of promised goods or services when a performance obligation is satisfied and when control of the goods or services passes to the customer. The amount of revenue recognised reflects the consideration to which the Club is or expects to be entitled in exchange for those goods or services.

The Club considers whether there are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g. Loyalty Points Program). In determining the transaction price for the sale of goods, the Club considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

(i) Sale of goods - beverage

Revenue from the sale of beverages is recognised at a point in time when the physical control of the goods passes to the customer.

For the year ended 30 June 2023

2 Revenue (continued)

(b) Accounting policies and significant judgements (continued)

(ii) Sale of goods - food

Revenue from the sale of food is recognised at a point in time when the physical control of the goods passes to the customer.

(iii) Provision of services - gaming revenue

Revenue from rendering services from gaming facilities to members and other patrons of the club is recognised when the services are provided. Gaming revenue is measured at the fair value of the consideration received from the net position of the wagers placed less customer winnings paid out. Commission income where the Club acts as an agent for third parties who provide wagering services to customers is recognised at a point in time when the wagering transaction has been completed.

(iv) Provision of services - raffle revenue

Raffle revenue is recognised at a point in time when the customer takes possession of the ticket and the raffle has been conducted as at this point the performance obligations have been satisfied.

(v) Provision of services - bowls revenue

Revenue from rendering services from bowling activities to members and other patrons of the Club is recognised when the services are provided.

(vi) Other revenue

Membership subscriptions are recognised over the term of membership and any unearned portion is deferred and included in contract liabilities. Membership revenue is measured with reference to the fee received and the period of membership that the member has paid for.

The Club recognises other revenue at a point in time when the performance obligation has been satisfied.

Accounting policy

(a) Land and buildings

Freehold land and buildings are carried at cost less any accumulated depreciation and any impairment in value.

(b) Plant and equipment, poker machines, greens and equipment

Plant and equipment, poker machines, greens and equipment are carried at cost less any accumulated depreciation and any impairment in value.

(c) Depreciation

Depreciation is calculated on a straight line basis over the estimated useful life of the asset as follows:

Buildings	10 - 40 years
Plant and Equipment	2.5 - 15 years
Poker Machines	4 - 5 years
Greens and Equipment	5 - 15 years

(d) Impairment

The carrying values of property, plant and equipment, poker machines, greens and equipment are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable.

For an asset that does not generate largely independent cash in flows, the recoverable amount is determined for the cash generating unit in which the asset belongs.

If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash generating units are written down to their recoverable amount.

The recoverable amount of property, plant and equipment is the greater of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the future economic benefits of an asset are not dependent on the asset's ability to generate net cash inflows and if deprived of the asset the Club would replace its remaining future economic benefit, value in use is determined as the depreciated replacement cost of the asset.

Impairment losses are recognised in the statement of profit or loss and other comprehensive income as a separate line item.

Accounting policy

A lease is a contract, or part of a contract, that conveys the right to use an asset for a period of time in exchange for consideration. If the terms and conditions of a contract are changed, it is reassessed to once again determine if the contract is still, or now contains, a lease.

The term of a lease is determined as the non-cancellable period of the lease, together with the periods covered by an option to extend the lease where there is reasonable certainty that the option will be exercised, and periods covered by an option to terminate the lease if there is reasonable certainty that the option will not be exercised.

At inception, a lease asset and a lease liability is recognised. Lease assets are included in the statement of financial position and grouped in classes of similar underlying assets.

Lease assets are initially measured at cost, comprising the following:

- the amount of the initial measurement of the lease liability;

- any lease payments made at or before the commencement date, less any lease incentives received;
- an estimate of costs to be incurred in dismantling and removing the underlying asset;

- any initial direct costs incurred;

9 Leases (continued)

At the commencement date of the lease, the lease liability is initially recognised for the present value of non-cancellable lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Club's incremental borrowing rate. The weighted average incremental borrowing rate is 7.17%.

The lease payment used in the calculation of the lease liabilities includes variable payments when they relate to an index or rate. Where leases contain variable lease payments based on an index or rate at a future point in time, the Club has only included the known CPI increases to date and not estimated future CPI-related increases.

The Club does not recognise leases that have a lease term of 12 months or less or are of low value as a lease asset or lease liability. The lease payments associated with these leases are recognised as an expense in the statement of profit or loss and other comprehensive income on a straight-line basis over the lease term.

Peppercorn Lease

The Club has entered into a lease agreement with Maitland City Council to lease the carpark adjacent to the Club. The Club has elected to apply a temporary exemption available which allows the associated lease asset to be measured at cost and not fair value. As this lease is for \$1 annually (with a term of 5 years remaining), no lease liability or associated lease asset has been recognised.

(i) Secured liabilities

The bank loans are secured by first mortgage over the Club's non residential real property loacated at Clarke Street, Telarah as well as a general security interest in the assets of the Club.

Accounting policy

Financial liabilities are initially recognised at fair value, net of transaction costs incurred. Borrowing costs are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit or loss and other comprehensive income over the period of the borrowings using the effective interest rate method.

Financial liabilities are classified as non-current liabilities if the Club has a right at the end of the reporting period to defer settlement of the liability for at least 12 months after the reporting period.

Accounting policy

(i) Annual leave

Liabilities for annual leave expected to be settled within 12 months of the reporting date, are recognised in the provision for employee benefits in respect of employees' services up to the reporting date. They are measured at the amounts expected to be paid when the liabilities are settled. Any annual leave expected to be settled beyond 12 months of the reporting date is measured at the present value of expected future payments.

(ii) Long service leave

The liabilities for long service leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future wage levels and period of service. Discount rates of the Australian bond rates matching the estimated future cash outflows have been used.

The Club has a bank guarantee for \$5,000 (2022: \$5,000) issued in favour of TAB Limited. The guarantee is provided by the Commonwealth Bank of Australia and is secured by a term deposit held with the Bank.

(ii) Creditor Claim

The Club has received a claim from a supplier in the amount of \$43,250 which the Club is disputing. Limited correspondence has been received by the Club in relation to the matter, nor has the creditor commenced legal proceedings. The Directors are of the view that no amount is payable in relation to the claim.

18 Critical accounting estimates and judgements

Management is required to make judgements, estimates and assumptions about reported amounts of assets, liabilities, income and expenses that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods if the revision affects both current and future periods.

Judgements made by management that have significant effects on the financial statements and estimates with a significant risk of material adjustment in the next period are disclosed where applicable, in the relevant notes to the financial statements:

Estimation of useful lives of non-current assets (notes 8 and 9) - The useful life of property, plant and equipment and lease assets (where useful life is greater than the lease term) is initially assessed at the date the asset is ready for use and reassessed at each reporting date based on the use of the assets and the period over which economic benefits will be derived from the asset. There is uncertainty in relation to the assessment of the life of the asset including factors such as the rate of wear and tear and technical obsolescence. There is uncertainty in relation to this assumption as it is based on current legislation and conditions attached to the entitlements. The estimates and judgements involved may impact the carrying value of the non-current assets and the depreciation and amortisation charges recorded in the statement of profit or loss and other comprehensive income should they change.

Directors' declaration

In the Directors' opinion:

- (a) the financial statements and notes set out on pages 6 to 18 are in accordance with the Corporations Act 2001, including:
 - (i) complying with Australian Accounting Standards Simplified Disclosures, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the Club's financial position as at 30 June 2023 and of its performance for the financial year ended on that date, and
- (b) there are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Independent auditor's report

to the members of Telarah Bowling Club

Opinion

We have audited the financial report of Telarah Bowling Club (the Club) which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the Directors' declaration.

In our opinion, the accompanying financial report of the Club is in accordance with the Corporations Act 2001 including:

- (i) giving a true and fair view of the Clubs financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosures, the Corporations Regulations 2001 and other mandatory professional reporting requirements.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section of our report. We are independent of the Club in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of the Directors for the financial report

The Directors of the Club are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Clubs financial reporting process.

Matters relating to the electronic presentation of the audited financial report

The auditor's report relates to the financial report of the Club for the year ended 30 June 2023 included on the Club's web site. The Club's Directors are responsible for the integrity of the Club's web site. We have not been engaged to report on the integrity of this web site. The auditor's report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on this web site.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our audit report.
